## NOTICE OF CONSENT SOLICITATION

Dear Stockholder:

The Company is filing the accompanying consent solicitation statement on Schedule 14A (the “Consent Solicitation Statement”) in order to solicit from its stockholders written consents approving and authorizing an amendment (the “Amendment”) to the Company’s Second Amended and Restated Certificate of Incorporation for the purposes of increasing the authorized shares of the Company’s common stock, par value \$0.0001 per share, from 31,500,000 shares to 100,000,000 shares (the “Increase in Authorized Shares”). Such approval and authorization by the stockholders is herein referred to as the “Action.” The number of authorized shares of the Company’s preferred stock, par value \$0.0001 per share, will remain unaffected at 1,000,000 shares.

The Action is described in more detail in the accompanying Consent Solicitation Statement and the form of Amendment is attached as Annex A thereto.

We have established the close of business on August 10, 2018 as the record date for determining stockholders entitled to submit written consents. Stockholders constituting the holders of a majority in voting power of the Company’s outstanding capital stock as of the close of business on the record date must consent in order for the Action to be approved by stockholders.

The Company’s Board of Directors recommends that all stockholders consent to the Action by marking the box entitled “FOR” and submitting to the Company the Action by Written Consent form, which is attached as Annex B to the Consent Solicitation Statement. **To be counted, your properly completed and executed Action by Written Consent form must be received by the Company on or before 5:00 p.m. Eastern Time on September 28, 2018 (the “Expiration Date”), subject to early termination or extension of the Expiration Date at the Company’s discretion.**

The Consent Solicitation Statement is being sent on or about August 29, 2018 to holders of record of the Company’s capital stock as of August 10, 2018. The date of the accompanying Consent Solicitation Statement is August 28, 2018.

Sincerely,

## CONSENT SOLICITATION STATEMENT

This Consent Solicitation Statement is being furnished in connection with the solicitation of written consents (the "Consent Solicitation") of the stockholders of Nuo Therapeutics, Inc. (the "Company," "we," "our," or "us") approving and authorizing an amendment (the "Amendment") to the Company's Second Amended and Restated Certificate of Incorporation ("Certificate of Incorporation") for the purposes of increasing the authorized shares of the Company's common stock, par value \$0.0001 per share (the "Common Stock"), from 31,500,000 shares to 100,000,000 shares (the "Increase in Authorized Shares"). Such approval and authorization by the stockholders is herein referred to as the "Action." The number of authorized shares of the Company's preferred stock, par value \$0.0001 per share, will remain unaffected at 1,000,000 shares.

**Our Board unanimously approved and authorized the Amendment as of August 9, 2018 and recommends that stockholders consent to the Action.**

The Company has decided to seek the written consent of stockholders through a consent solicitation process rather than holding a special meeting of stockholders in order to eliminate the costs and management time involved in holding a special meeting. The Increase in Authorized Shares is primarily intended to facilitate the Company's ability to obtain equity financing and to otherwise provide adequate authorized shares for its short- to medium-term needs.

Voting materials, which include this Consent Solicitation Statement and an Action by Written Consent form (attached as Annex B), are being mailed to stockholders of record on or about August 29, 2018. Our Board set the close of business on August 10, 2018 as the record date for the determination of stockholders entitled to act with respect to the Consent Solicitation (the "Record Date").

### **Important notice regarding the availability of voting materials for the Action:**

**This Consent Solicitation Statement and the Action by Written Consent form are also available on our website at the following address: <http://www.nuot.com/investors/>.**

As of the Record Date, there were 23,722,400 shares of Common Stock issued and outstanding. Each share of Common Stock entitles its holder to one vote on all matters requiring stockholder approval. As of such date, there were 29,038 shares of the Company's Series A preferred stock, par value \$0.0001 per share ("Series A Preferred Stock"), issued and outstanding. Each share of Series A Preferred Stock entitles its holder to five votes on all matters on which holders of Common Stock have the right to vote, except as otherwise provided in the Certificate of Designations of the Series A Preferred Stock. In the aggregate, the holder(s) of Series A Preferred Stock therefore have 145,190 votes. The holder(s) of Series A Preferred Stock are entitled to vote together with holders of Common Stock as a single class with respect to the Action. Stockholders constituting the holders of a majority in voting power of the Company's outstanding capital stock as of the close of business on the record date must consent in order for the Action to be approved by the stockholders.

If your shares are held in a brokerage account in your broker's name ("street name"), you have the right to direct your broker or nominee to consent or withhold consent with regard to the Action. You should follow the instructions provided by your broker or nominee. You may complete and mail an instruction card to your broker or nominee or, if your broker allows, submit voting instructions to your broker by telephone or the internet. If you provide specific voting instructions by mail, telephone or the internet, your broker or nominee will vote your shares as you have directed. If you do not provide voting instructions to your broker or nominee, your broker or nominee may not use its discretion to consent or withhold consent with regard to the Action.

**Stockholders who wish to consent must deliver their properly completed and executed Action by Written Consent form to the Company by mail, facsimile or email so that it is received on or before 5:00 p.m. Eastern Time on September 28, 2018 (the "Expiration Date").** The Company reserves the right (but is not obligated), in its sole discretion and subject to applicable law, at any time prior to the Expiration Date to (i) terminate the Consent Solicitation for any reason, including if the consent of stockholders holding a majority of the Company's outstanding shares of capital stock has been received; or (ii) amend the terms of the Consent Solicitation (including to extend the Expiration Date). The Company reserves

the right (but is not obligated) to accept any written consent received by any other reasonable means or in any form that reasonably evidences the giving of consent to the approval of the Action.

The failure to submit a written consent or, if your shares are held in “street name,” to give appropriate instructions to your broker or nominee, will have the same effect as voting against the Action. Abstentions also have the same effect as voting against the Action.

The final results of this Consent Solicitation are expected to be published in a Current Report on Form 8-K by the Company and posted on its website in satisfaction of the notice requirement under Section 228 of the Delaware General Corporation Law (“DGCL”).

We pay the costs for preparing, printing and mailing the consent soliciting materials. Our officers, directors and other regular employees may, without additional compensation, solicit consents personally or by facsimile, telephone, e-mail or special letter. We will reimburse banks, brokers and other custodians, nominees and fiduciaries for their costs of sending the consent soliciting materials to our beneficial owners.

Our executive offices are located at 207A Perry Parkway, Suite 1, Gaithersburg, MD 20877 and our telephone number is (240) 499-2680.

## VOTE REQUIRED; MANNER OF APPROVAL

Each share of our Common Stock entitles its holder to one vote. Each share of our Series A Preferred Stock entitles its holder to five votes on all matters on which holders of Common Stock have the right to vote, except as otherwise provided in the Certificate of Designations of the Series A Preferred Stock. The holder(s) of Series A Preferred Stock are entitled to vote together with holders of Common Stock as a single class. Under Section 2.5(d) of our By-Laws, approval of the Action requires the affirmative vote of the holders of a majority of the votes cast. In addition, pursuant to Section 228 of the DGCL and Section 2.9 of our By-Laws, any action that may be taken at any annual or special meeting of the Company's stockholders can be effected through the written consent of those stockholders having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of stockholders at which all shares entitled to vote on such action were present and voted, so long as a majority of the Board approves in advance the taking of such action by means of written consent of stockholders (which has occurred in this case). Prompt notice of the action taken by written consent must be provided to all other stockholders.

The Company has no class of voting stock outstanding other than the Common Stock and Series A Preferred Stock. As noted above, as of the Record Date, there were 23,722,400 shares of Common Stock and 29,038 shares of Series A Preferred Stock issued and outstanding. Accordingly, the votes or written consents of stockholders holding at least 11,933,796 shares of the issued and outstanding Common Stock, or at least 11,788,606 shares of the issued and outstanding Common Stock and all 29,038 shares of the issued and outstanding Series A Preferred Stock (the latter representing 145,190 votes), are necessary to implement the Action.

The Company's Board of Directors recommends that all stockholders consent to the Action by marking the box entitled "FOR" and submitting to the Company an executed Action by Written Consent form which is attached as Annex B to the Consent Solicitation Statement. If you sign and send in the Action by Written Consent form but do not indicate how you want to vote as to the Action, your consent form will be treated as a consent "FOR" the Action.

**Stockholders who wish to consent must deliver their properly completed and executed Action by Written Consent form to the Company by mail, facsimile or email so that it is received on or before 5:00 p.m. Eastern Time on September 28, 2018 (the "Expiration Date").** The Company reserves the right (but is not obligated), in its sole discretion and subject to applicable law, at any time prior to the Expiration Date to (i) terminate the Consent Solicitation for any reason, including if the consent of stockholders holding a majority of the Company's outstanding shares of capital stock has been received; or (ii) amend the terms of the Consent Solicitation (including to extend the Expiration Date). The Company reserves the right (but is not obligated) to accept any written consent received by any other reasonable means or in any form that reasonably evidences the giving of consent to the approval of the Action.

## CONSENT IS IRREVOCABLE

Executed written consents delivered to the Company before the effective date of the Action shall not be revocable.

## EFFECTIVE DATE OF ACTION

Pursuant to DGCL Section 228, the Action will become effective on such date as the Company has received, in accordance with such section, written consents signed by holders of our outstanding capital stock having not less than a majority of the voting power of such outstanding capital stock as of the close of business on the Record Date, so long as such written consents are delivered within 60 days of the Record Date. The Company intends to effect the Increase in Authorized Shares by filing with the Delaware Secretary of State an amendment to the Certificate of Incorporation, a copy of which has been attached hereto as *Annex A*, soon following the effective date of the Action.

## DISSENTERS' RIGHTS

Under Delaware law, stockholders will not have any dissenters' or appraisal rights in connection with the Action or any of the matters described in this Consent Solicitation Statement.

## SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Some of the information in this Consent Solicitation Statement contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are inherently subject to risks and uncertainties and actual results and outcomes may differ materially from the results and outcomes discussed in or anticipated by the forward-looking statements. Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate, or imply future results, performance, or achievements, and may contain the words "anticipate," "believe," "estimate," "expect," "intend," "the facts suggest," "will,"

“will be,” “will continue,” “will likely result,” “could,” “may” and words of similar import. These statements reflect the Company’s current view of future events and are subject to certain risks and uncertainties as noted in the Company’s filings with the Securities and Exchange Commission, including the Company’s Annual Report on Form 10-K filed on April 16, 2018, its Quarterly Reports on Form 10-Q filed on May 14, 2018 and August 13, 2018, as well as its Forms 8-K.

Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results could differ materially from those anticipated in these forward-looking statements. In addition to the risks identified in the above filings, new risk factors emerge from time to time, and it is not possible for management to predict all such risk factors, nor can it assess the impact of all such risk factors on the Company’s business, or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. Given these risks and uncertainties, investors should not place undue reliance on forward-looking statements as a prediction of actual results.

The Company undertakes no obligation and does not intend to update, revise or otherwise publicly release any revisions to its forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of any unanticipated events.

**Your consent is important!**

**Please sign, date and promptly return your Action by Written Consent form.**

## PROPOSED ACTION:

### APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO EFFECT AN INCREASE IN OUR AUTHORIZED SHARES OF COMMON STOCK

Upon recommendation of the Board, stockholders of the Company are being asked to execute written consents approving and authorizing an amendment (the “Amendment”) to the Company’s Second Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”) for the purposes of increasing the authorized shares of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”), from 31,500,000 shares to 100,000,000 shares (the “Increase in Authorized Shares”). Such approval and authorization by the stockholders is herein referred to as the “Action.” The number of authorized shares of the Company’s preferred stock, par value \$0.0001 per share, will remain unaffected at 1,000,000 shares.

The Company intends to effect the Increase in Authorized Shares by filing with the Delaware Secretary of State an amendment to the Certificate of Incorporation, a copy of which has been attached hereto as *Annex A*, soon following the effective date of the Action.

In deciding whether to approve and authorize the Increase in Authorized Shares, the Board was guided by the best interests of the Company and its stockholders, and considered the following factors at the time of its decision:

- (i) the number of shares of Common Stock that will be outstanding or reserved for issuance immediately after the Increase in Authorized Shares, and the number of shares available for issuance in the future, including in connection with any contemplated equity financing or in connection with future increases under the evergreen provision of the Company’s 2016 Omnibus Incentive Compensation Plan;
- (ii) stockholders’ equity at the time of the Increase in Authorized Shares; and
- (iii) the nature of the Company’s operations.

#### Effects of Increase in Authorized Shares

Following the effectiveness of the Increase in Authorized Shares, current holders of Common Stock will own the same number of shares of Common Stock than prior to the Increase in Authorized Shares. The Amendment will not change the terms of the Common Stock. After the Increase in Authorized Shares, the shares of Common Stock will have the same voting rights and rights to dividends and distributions and will be identical in all other respects to the Common Stock now authorized. Each stockholder’s percentage ownership of outstanding Common Stock will not be altered. The par value of the Common Stock will not change, and the outstanding Common Stock will remain fully paid and non-assessable.

#### Purposes of Increase in Authorized Shares

As of the Record Date, the authorized capital stock of the Company consists of 31,500,000 shares of Common Stock and 1,000,000 shares of preferred stock, par value \$0.0001 per share. Of this amount:

- (i) 23,722,400 shares of Common Stock and 29,308 shares of Series A Preferred Stock are issued and outstanding,
- (ii) warrants to purchase 6,180,000 shares of Common Stock are issued and outstanding,
- (iii) 1,358,126 shares of Common Stock are issuable upon the exercise of outstanding stock options under the Company’s 2016 Omnibus Incentive Compensation Plan, as amended (the “Omnibus Plan”), and
- (iv) 239,475 unallocated shares of Common Stock are available for future awards under the Omnibus Plan (not including any increases as a result of the Omnibus Plan’s evergreen provision).

Therefore, as of the Record Date, the Company has no authorized shares of Common Stock available that are not already (a) issued and outstanding, (b) issuable upon exercise of other securities that are issued and outstanding, or (c) earmarked for future awards under the Omnibus Plan. In addition, as of the Record Date, the Company does not have available authorized shares that may be used to increase the pool of shares of Common Stock available for future awards under the Omnibus Plan. As a result of this, the evergreen provision intended to increase the maximum number of shares issuable under the Omnibus Plan on the first day of each fiscal year by an amount equal to six percent (6%) of the shares available as of the last day of the preceding fiscal year (provided that the aggregate number of all such increases may not exceed 1,000,000 shares) will have no further effect without an increase in the number of authorized shares, assuming the information in (i) through (iv) above otherwise remains the same.

The Increase in Authorized Shares is primarily intended to facilitate the Company’s ability to obtain urgently needed equity financing and to otherwise provide adequate authorized shares for its short- to medium-term needs. Management believes that without the Increase in Authorized Shares, the Company’s ability to continue to operate is in immediate jeopardy. However, there can be no assurances that an Increase in Authorized Shares will in fact lead to a successful equity financing.

Following the approval of this Action, the Company intends to effect the Increase in Authorized Shares by filing with the Delaware Secretary of State an amendment to the Certificate of Incorporation, a copy of which has been attached hereto as *Annex A*.

## Risks Associated with the Increase in Authorized Shares

After the effective date of the Increase in Authorized Shares, each stockholder will own the same number of shares of our stock as prior to the Increase in Authorized Shares. The Board does not currently intend to seek stockholder approval prior to any issuance of shares of Common Stock, including those that would become available for issuance as a result of the Increase in Authorized Shares, unless otherwise required by law or regulation.

The Company's stockholders will not realize any dilution in their ownership or voting rights as a *direct* result of the Increase in Authorized Shares, but will almost certainly experience dilution if and when the Company issues shares of Common Stock in the future. In this context, it is important to note that the primary reason for the Increase in Authorized Shares is to enable the Company to issue additional shares of Common Stock in the future. Because our stockholders have no preemptive rights to purchase or subscribe for any of our unissued stock, the issuance of additional shares of Common Stock (or preferred stock) will, if such shares are issued at prices below what current stockholders paid for their shares, reduce stockholders' equity per share and dilute the value of current stockholders' shares. An issuance of additional shares of our Common Stock could have an adverse effect on the potential realizable value of a stockholder's investment.

The increase in authorized but unissued and unreserved shares of Common Stock as a result of the Increase in Authorized Shares therefore enables the Board to issue shares of Common Stock, including to an existing holder who has in the past expressed interest in obtaining control of the Company. Such a holder could therefore control business strategies and policies of the Company and the outcome of all corporate actions that require the approval of our stockholders, including the election of our directors, adoption of employee compensation plans and transactions involving a further change of control.

Moreover, because some investors may view the Increase in Authorized Shares negatively, we cannot assure you that the Increase in Authorized Shares will not adversely impact the market price of our Common Stock.

## Common and Preferred Stock

As discussed above, the Increase in Authorized Shares would result in an increase in the number of authorized and unissued and unreserved shares of Common Stock, but the number of authorized shares of our preferred stock will remain unchanged.

The below tables outline the capital structure as described above and prior to and immediately following the proposed Increase in Authorized Shares. The number of shares disclosed in the column "Number of shares of Common (or Preferred) Stock before Increase in Authorized Shares" reflects the number of shares as of the Record Date. The number of shares disclosed in the column "Number of shares of Common (or Preferred) Stock after Increase in Authorized Shares" gives further effect to the Increase in Authorized Shares but does not give effect to any other changes, including any issuance of securities after the Record Date.

	Number of shares of Common Stock before Increase in Authorized Shares	Number of shares of Common Stock after Increase in Authorized Shares
<b>Authorized</b>	31,500,000	100,000,000
<b>Issued and Outstanding</b>	23,722,400	23,722,400
<b>Reserved for Issuance</b>	7,538,126	7,538,126
<b>Authorized but Unissued</b>	239,475*	68,739,474*

\* Of which 239,475 shares are currently earmarked for future awards under the Omnibus Plan.

	Number of shares of Preferred Stock before Increase in Authorized Shares	Number of shares of Preferred Stock after Increase in Authorized Shares*
<b>Authorized</b>	1,000,000	1,000,000
<b>Issued and Outstanding</b>	29,038	29,038
<b>Reserved for Issuance</b>	-	-
<b>Authorized but Unissued</b>	970,962	970,962

\* Aggregate liquidation preference of the Series A Preferred Stock will remain at its existing amount of \$29,038,000.

#### **Anti-Takeover Effects of an Increase in Authorized Shares**

Release No. 34-15230 of the Staff of the Securities and Exchange Commission requires disclosure and discussion of the effects of any action, including the proposal discussed herein, that may be used as an anti-takeover mechanism. The Amendment will result in an increase in the number of authorized but unissued and unreserved shares of our Common Stock and could, under certain circumstances, have an anti-takeover effect, although this is not the purpose or intent of our Board. An increase in the number of authorized shares of Common Stock could have other effects on our stockholders, depending upon the exact nature and circumstances of any actual issuances of authorized but unissued shares. An increase in our outstanding shares could potentially deter takeovers, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change of control or takeover more difficult. For example, we could issue additional shares so as to dilute the stock ownership or voting rights of persons seeking to obtain control without our agreement. Similarly, the issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. The Increase in Authorized Shares therefore may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempts, the Increase in Authorized Shares may limit the opportunity for our stockholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal.

#### **No Dissenters Rights**

In connection with the approval of the Increase in Authorized Shares, stockholders of the Company will not have a right to dissent and obtain payment for their shares under the Delaware General Corporation Law, the Certificate or the By-Laws.

#### **Required Consent**

Approval of the Action requires the receipt of the written consents of stockholders constituting the holders of a majority in voting power of the Company's outstanding capital stock as of the close of business on the Record Date.

#### **Board Recommendation**

**The Board recommends that stockholders consent to the proposed amendment to our Certificate of Incorporation to effect an increase in the number of authorized shares of Common Stock.**
